

Medical.

TIMELESS WARNING.—Every mother should be prepared to act in the capacity of both nurse and physician to her children; she can, if she will, discharge these duties much better than any one she can employ. If she does not, she ought to know that there is a medicine prepared by an old nurse and female physician which has stood the test of many, many years, and is the most perfect thing on earth for children teething; it also cures Wind Colic, Dysentery, Diarrhea, and is sure to regulate the bowels. We say to every mother, do not let your own prejudices, or the prejudices of others, stand in the way of the relief that will be sure—yes, absolutely sure—to follow the use of MRS. WINSLOW'S SOOTHING SYRUP. It is sold everywhere, at 25 cents a bottle. Office, No. 13 Cedar-st., New-York.

A PERFECT CHARM.

MRS. WINSLOW'S SOOTHING SYRUP certainly does, as the name implies, "sooth" the little sufferer into a quiet, natural sleep, from which it awakes invigorated and refreshed. And for the cure of diseases incident to the period of teething, such as Dysentery, Diarrhea, Wind Colic, &c., we have never seen its equal.

We have always been, and still are, opposed to the practice of drooping infants. This article has no deleterious effects whatever, and from our own experience (we speak advisedly) we have every confidence in it, and can heartily recommend it to all mothers. Take our advice—use it—and you will as strongly recommend it to others as we have to you.

WHEN WE SAY.

That MRS. WINSLOW'S SOOTHING SYRUP acts like a charm, we do not reiterate the language of every person who ever used it for their children, for all diseases incident to the period of teething, such as Dysentery and Diarrhea, Wind Colic and Cholera Infantum. It will produce quietude and rest, relieve all suffering and the infant will awake invigorated and refreshed, and with the dull and stuporous effects of preparations of opium, and everywhere, 25 cents per bottle. Office, No. 13 Cedar-st., New-York.

MRS. WINSLOW AGAIN:

Mrs. WINSLOW, an old and experienced nurse, has devoted herself for more than thirty years exclusively to the care of children. She has a SOOTHING SYRUP for children teething, which we believe is a most invaluable preparation, not only for children toothed, but in all cases of Dysentery or Diarrhea. We speak of what we know, when we say this SOOTHING SYRUP acts like a perfect charm in the above cases. We have witnessed the most satisfactory and pleasing results from the use of it, upon suffering infants and children, in a great variety of cases. It gives universal satisfaction, is perfectly safe for the feeblest infant, and pleasant to the taste. We sincerely believe the mother who has a child suffering from any of the above complaints, and neglects to provide this medicine for its relief and cure, is depriving the little sufferer of the remedy of all the world best calculated to give it rest, and restore it to health.

MRS. WINSLOW VS. CRYING CHILDREN.

You are disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—dear upon it; there is no mistake about it. There is not a mother on earth who has ever used it who will not tell you at once that it will regulate the bowels, and give rest to the mother and relief to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Price 25 cents. Office No. 13 Cedar-st., New-York. Sold everywhere.

During the thirty years of unprecedented and increasing popularity of MRS. WINSLOW'S SOOTHING SYRUP, innumerable "Cordials" and other nostrums, prepared by pretended M.D.'s, have sprung up and lived but a miserable existence, while the SOOTHING SYRUP has been constantly increasing in popularity, and become a household word, and

THOUSANDS OF MOTHERS THANK

MRS. WINSLOW for the health of their children by the use of her invaluable article.
